Crowd Pleasers

Yuletide festivities in our house are all about spending time with Family, Friends and sharing Food, the essential magical ingredient is always smoked salmon. Layered liberally between wild windswept beach walks, roaring log fires & always a happy border Terrier thrown into the mix. Here is our secret ingredient, isle of ewe smoked salmon for that sublime slice of Highland Christmas X

Smoked Salmon

Our Scottish sustainable salmon are cured using an aromatic mix of rum, brown sugar and sea salt, then slowly smoked in our stone kilns over oak whisky barrel staves. Hand sliced and packed by us, with interleaves between each slice for easy serving for you. Our smoked salmon has 21 day use by date, unopened and refrigerated.

Hot-Smoked Salmon - Delicious served hot or cold

Our award winning hot smoked salmon, cured and smoked using the same unique recipe as our cold smoked salmon. This is then smoked again introducing heat with the smoke, which gently cooks the salmon during the final stages of smoking to give a succulent and flaky smoked salmon with a real wow factor! Delicious served hot or cold.

Hot Smoked Salmon Portions

Delicious ready to serve, portions will serve two easily; a little goes a long way. Simply flake over fresh salad leaves, stir through freshly cooked pasta or use as a stunning canapé topping with crowdie or cream cheese on blinis or oatcakes. See our recipe page online for delicious ideas.
Approx 200g, individually packed.

£9.70/200g

Hot Smoked Salmon Sides

Perfect for dinner parties or when catering for larger groups, makes a stunning and delicious addition to any occasion. Sides approx 1kg.
